CORA

Square aluminium profile structure. Seat and backrest boards made of high pressure laminate, polyethylene or stretched outdoor textiles. Table top boards made of high pressure laminate, polyethylene or tempered glass panes. Chairs are stackable.

Construction de profils aluminium quadratiques. L'assise et le dossier formés de plateaux de stratifié haute pression, de polyéthylène ou de tissu d'extérieur tendu. La table est formée de plateaux de stratifié haute pression, de polyéthylène ou de plateaux de verre trempé. Les chaises sont empilables.

La construcción de perfiles cuadrangulares es de aluminio. Asiento y respaldo hechos de placas de HPL, de textil exterior o de polietileno. La mesa puede estar dotada, opcionalmente, de vidrio templado. Las sillas son apilables.

Konstruktion aus quadratischen Aluprofilen. Sitzflächen und Rückenlehnen aus wahlweise HPL oder Kunststoff oder gewobenen Kunststofffasern. Tischplatten wahlweise aus HPL, Kunststoff oder gehärtetem Glas. Stühle stapelbar.
